Notes

CPEP:	The Clinical Practice Expert Panel (abbreviated CPEP) that provided the estimates for the associated service.
PROCCODE:	The HCFA Common Procedure Coding System (HCPCS) Code for the specified service.
WRKSHT:	Package type.
PREPOST:	CPEP sub-period.
NOTE1:	General comments.
NOTE2:	General comments.

CPEP	PROCCODE	WRKSHT	PREPOST	NOTE1	NOTE2
C 1	10060	G1	Pre	Panel stressed the variability of obtaining medical history (6 out of the 21 min) since there's no pre visit day before procedure.	
C 1	10060	G1	Intra	Panel provided a total time of 15 min and stressed time and experience variability regarding RNs, LPNs, and techs used to do this procedure.	
C 1	10060	G1	Post	Panel said that out of office - no staff accompany the physician, but that 2 min post are for follow-up phone calls by office staff.	
C 1	11642	G1	Post	Panel determined that 3 min are required for phone calls by staff when the procedure is done out of the office.	
C 1	11643	G1	Intra	The panel said that procedure intra time is longer than code 11642.	
C 1	11643	G1	Post	Panel determined that 3 min are required for phone calls by staff when the procedure is done out of the office.	
C 1	11730	P1	Pre	{The out of office time is only when staff accompany the physician. The panel said this occurs 50 % of the time. No weighted average was taken.}	
C 1	11730	P1	Intra	{The out of office time is only when staff accompany the physician. The panel said this occurs 50 % of the time. No weighted average was taken.}	
C 1	11730	P1	Post	{The out of office time is only when staff accompany the physician. The panel said this occurs 50 % of the time. No weighted average was taken.}	
C 1	12002	G1	Pre	Panel said that obtaining the history and consent is about the same time as code 17000, but since this is usually a new patient and a large cut the pre time is longer.	
C 1	12002	G1	Intra	Due to the variability in the size of the cut, 2.6 - 7 min, the panel said it typically takes 25 min,.	
C 1	12002	G1	Post	Panel said that after the procedure, monitoring the patient and the post -op education takes a while.| The 2 min out of office time is for phone calls by the office staff.	
C 1	17000	G1	Pre	Panel stressed the variability of obtaining medical history (6 out of 21 min) since there's no pre visit day before procedure, but decided it was necessary.	
C 1	17000	G1	Intra	Panel provided a total time of 15 min and stressed time and experience variability regarding RNs, LPNs, and techs used to do this procedure.	
C 1	19240	G1	Post	The 5 min post time is for phone calls provided by office staff.

C 5	67141	G2	Pre	Lab studies are not necessary which is why the preservice differs slightly form the bldg blk code- cataract.	

Round I Reference Service Data - Administrative Notes

CPEP	PROCCODE	WRKSHT	PREPOST	NOTE1	NOTE2
C 5	67314	G2	Pre	It takes a long time to obtain a referral and receive approval for these cases.	
C 5	67314	G2	Post	"Bill takes longer than the cataract code, have to deal w/ patients on Medicaid since one carrier is usually denied, Medicaid won't cover unless there's been a denial so often a dual bill is sent."	
C 5	67840	G2	Pre	No lab work is needed for this procedure.| There was debate re:whether 50 min was too high. Panel said certification takes longer for some patients.	
C 5	67904	G2	Pre	"This time is high due to the large number of films and photos that are requested (patient's frequently lose the films). There is also a lot of photocopying involved."	
C 5	67904	G2	Post	The 72 minutes only accounts for the first set of billing. If subsequent billings need to be considered then 60 minutes should be added.	
C 5	92012	P2	Pre	W/ Managed care this would tale 38 minutes| Getting Authorization depends on the managed care, in a heavy managed care area - at least 30 min for auth.|Panel did not take weighted averages.	
C 5	92012	P2	Post	W/ Managed care this would take 48 minutes. Panel did not take weighted averages.	
C 5	99203	M2	Pre	A new patient requires setting up a new chart, establishing demographic sheet etc.| 25 min pre is w/o managed care. W/ managed care need authorization - the pre time would increase to 35 min.	The panel decided not to factor managed care situations into the analysis due to the variation of penetration rates.
C 5	99203	M2	Post	"42 min post is w/o managed care.|'With managed care the post time would be 52 minutes."	The panel decided not to factor managed care situations into the analysis due to the variation of penetration rates.
C 5	99213	M2	Pre	"Panel said the 23 min pre is w/o managed care. It woulld be 34 min w/ managed care but they didn't factor managed care into the analysis due to the variation in penetration rates across the country."	
C 5	99213	M2	Post	"Panel said 38 min post is w/o managed care. It would be 48 min w/ managed care but they didn't factor managed care into the analysis due to the variation in penetration rates across the country."	
C 5	99243	M2	Post	"The consultation is more exhaustive because even though you don't need to schedule another exam an detailed letter is sent out to referring MD."	
C 6	36200	P2	Post	The panel states that out of office admin work is the same as in office| different practices pay for diffirent costs in the out of office setting | panel states there is no way to break that time out
